# MARRIAGE IN CRISIS

AFTER MONTHS OF STRIFE, **DONNIE WAHLBERG**  
WALKS OUT ON **JENNY MCCARTHY**

When **Donnie Wahlberg** and **Jenny McCarthy** kicked off their A&E reality show, *Donnie Loves Jenny*, in January, Donnie joked that they “might be oversharing” for the cameras. But one thing they’ve managed to keep secret until recently is that their once ooey-goey relationship has turned sour.

Jenny’s rep denies any problems, but “Donnie and Jenny fight constantly; it’s nonstop drama,” one of Donnie’s friends reveals, adding that Jenny’s goofy sense of humor,

which initially attracted his pal, is now a source of tension in the couple’s 14-month marriage. “He’s had it with her refusal to act like a mature, responsible adult. He always tells her to grow up.”

The source says that Donnie, 46, is especially troubled by Jenny’s overprotective parenting of her 13-year-old son, **Evan**, who was diagnosed with autism as a toddler.

“Jenny has spoiled Evan rotten since he was a baby,” the source says of the 43-year-old SiriusXM radio host and former *Playboy* model. “She never says no to him. Then, when

On the first episode of *Donnie Loves Jenny*, Donnie says he has “no doubt” about marrying Jenny. These days, a source says, it’s a different story.

Donnie tries to be a good stepfather and lay down some ground rules, she ignores him or undermines him.” The source adds that if Donnie, who has sons ages 22 and 14 by his ex-wife, Kim Fey, tells Evan he can’t have something or do something, “Jenny will just do it behind his back.”

While plenty of couples disagree about how to discipline their children, it seems the issue is hitting a more serious nerve in Donnie and Jenny’s already precarious relationship. The source says that things came to a head recently during yet another argument about Evan: “They were having a huge fight, and Donnie realized there is no talking sense into Jenny, so he just turned around and walked out. The truth is, he’s just mentally and emotionally exhausted. At this point, no one would be surprised if he ended the marriage sooner rather than later.”

# Amal & Cindy CABO CATFIGHT!

**G**eorge Clooney took eternal vows with wife **Amal** — but he's also till-death committed to his partner in crime (and tequila!), **Rande Gerber**. And unfortunately, the fab foursome George envisioned when he married Amal — including Rande and his wife, **Cindy Crawford** — is Amal's worst nightmare. Sources say the human rights lawyer, 37, can't stand the supermodel, 49, and doesn't want to spend her limited downtime forcing a friendship. On a

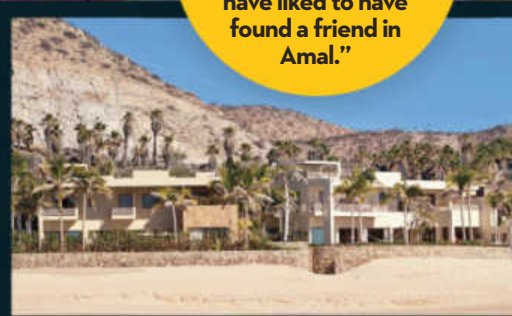

recent trip to Cabo, where George, 54, and Rande, 53, own neighboring vacation compounds, sources say, the women were once again thrust into an uncomfortable situation.

"George and Rande arranged for a spa date for their wives, and Amal refused to go," says an insider. "She said she had a headache, but no one bought the excuse. Cindy's been a good sport and has tried to win Amal over, but it's been an uphill battle." The source adds that while Amal and George have bonded over global politics, the

powerhouse attorney "doesn't make an effort to be interested in much else. Cindy would rather chat about something lighter than foreign affairs."

While Amal has requested that she and George take the occasional trip somewhere else so that they can be alone, Cabo is his happy place. Says the insider, "The guys might have to start going there by themselves."

George's and Rande's houses are close; their wives, less so. "It's a shame," says a source, "because Cindy would have liked to have found a friend in Amal."

## JESSICA'S STORE HONESTLY A BUST

Her Honest Company brand of eco-friendly products may be valued at \$1.7 billion, but **Jessica Alba** isn't immune to failure. Reviews of her new beauty line — which debuted at an L.A. pop-up shop on Sept. 25 — have been “really negative,” says a source, and sales are slow. Jessica is acting like it's her shop's employees and not her products that are the problem: “She didn't want to accept any responsibility,” says the insider, who adds that “the creams for darker complexions feel like you're smearing chalky paste on your face — who would buy it?”

A source claims Jessica's makeup line is overpriced.

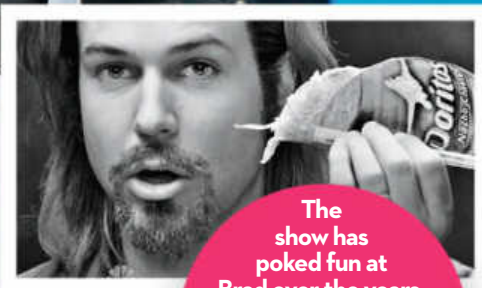

## KEITH'S BIG COVER-UP

**Keith Urban** may be as well-known for his glossy mane as he is for his music or his marriage to **Nicole Kidman**. But sources say Nashville is abuzz with rumors that he's secretly bald! His rep denies it, but an insider says that years ago Keith seemed to be losing his hair — only to reemerge with luxe locks. “He's either got a wig or plugs,” a source claims. Elsewhere, however, Keith, 47, prefers less hair: “He gets his body waxed monthly,” says the insider. “He's obsessed with his looks, almost more than Nicole.” The fight for the mirror must be epic!

## BRAD FINALLY HOSTING SNL!

After 20 years of turning down one of showbiz's most enviable gigs, **Brad Pitt**, 51, has said yes to hosting *Saturday Night Live* — and nothing is off-limits. Says a source, “He's finally ready for the writers and cast to let loose and make as many jokes as they want” — whether they're about his brood of six kids or his darkly enigmatic wife, **Angelina Jolie**. The date of Brad's debut hasn't been set, but he's given his word not only to *SNL* creator and friend **Lorne Michaels** but also to his two oldest sons. **Maddox**, 14, and **Pax**, 11, are fans of the show and “think it would be supercool for Brad to host,” says an insider. “They couldn't believe it when he told them he'd turned it down, and they practically begged him to agree this year. There's no backing out now!”

The show has poked fun at Brad over the years, as in this 2012 parody of his rambling Chanel ads, with **Taran Killam** hawking a **Taco Bell** creation.

# JEN'S UNDERCOVER BROTHER

**S**he may be a ride-or-die Friend, but Jennifer Aniston has had plenty of familial strife — including an estrangement from her mom, Nancy Dow, and her half brother A.J. (son of Jen's dad, John Aniston, and his second wife, Sherry Rooney). But while Jen, 46, hadn't had any contact with A.J. in more than a decade, sources say the birth of his son last year has steered their relationship toward a reconciliation. "Jen and A.J. have spoken on the phone a few times," says an insider, adding that the drifter and frequent Burning Man festival goer, 25, "has taken to the role of new dad really well. He's let go of a lot of anger that he had about Jen's lavish life."

After renewing ties with A.J., Jen sent him and his girlfriend a huge basket of baby gifts.

Jen and her tattooed half sib "plan to get together for the holidays," a source says.

## HARRY'S SHOCKING BABY SCANDAL

**Queen Elizabeth II** loves a new royal arrival (for two! See p. 34), but not when it's the product of a one-night stand with the party prince. So the palace was on high alert after a 19-year-old blonde told the U.K. media she was carrying **Harry's** child. "She produced all these selfies of her and Harry together," says a source. It turned out that she and Harry, 31, had crossed paths one wild night, but nothing happened. Still, "the Queen is nervous that it's only a matter of time before one of these scandals sticks," says the insider.

A source says the Queen "wants Harry to tone down his partying."

Melissa and Kate cut loose on set.

## GHOSTBUSTERS REBOOT WILL BOMB!

They ain't afraid of no ghosts — just each other! Sources say the stars of the *Ghostbusters* reboot — **Melissa McCarthy**, **Kristen Wiig**, **Leslie Jones** and **Kate McKinnon** — clashed over salaries and egos during filming. "It was a nasty atmosphere," says an insider. "One leading lady was particularly disgruntled at not being paid as much as another. The tension will show on the screen." Busted!

# ROBIN'S WOOZY WORKOUTS

Robin Thicke's early-morning gym routine has fellow fitness buffs convinced that he's blurring the lines between exercising and recovering from the night before. A source at his Equinox gym in West Hollywood, which is also frequented by **Cameron Diaz** and **Charlize Theron**, says that Robin, 38, routinely arrives "stinking of booze and looking hung over. He can never get through his workout; he gives up halfway through." Even so, the crooner, who's dating 20-year-old model **April Love Geary**, has his share of female fans: "They line up at the locker room to flirt with him," adds the insider. Must be the endorphins.

Robin sometimes arrives at the gym "a little drunk," says an insider.

# LEAH'S SCIENTOLOGY TELL-ALL

Leah dishes about Scientologists Tom Cruise and John Travolta.

It's arguably harder to leave the Church of Scientology than it is to sever ties with the Mob. But **Leah Remini** managed it—and now she's blowing the lid off the church's abusive practices in a memoir, *Troublemaker: Surviving Hollywood and Scientology*. "Leah will expose all the horrific things she saw and endured," says a source about the *King of Queens* star, who spent 30 years in the cultlike religion before bailing very publicly in 2013. "She'll also open up about **Tom Cruise** being groomed to take over, and how the church is telling **John Travolta** that if he tries to leave, they'll reveal the deeply personal stuff he's said in his audits." Though the church has already bashed her book as a "pathetic quest to get publicity," Leah, 45, is standing firm. "No one is going to tell me how I need to think," she's said.

# COUPLES NEWS

Kourtney & Scott

## WORKING IT OUT!

**S**cott Disick repeatedly entering rehab has become a running joke, but a source says his current stay at Cliffside in Malibu, where he checked in a few weeks ago, is the real deal because he's committed to proving to **Kourtney Kardashian** that he's worthy of another chance. "It's not like his last attempts — he realized he actually needs to make a change," the source says, adding that Scott's also been house hunting in Calabasas "to be as close to Kourtney and the kids as possible."

On the heels of Scott's July breakup with Kourtney, 36, he was excited to let loose. But judging from a July 31 Instagram post captioned, "When u realize the grass isn't always greener," the single life soon began to wear on him. Still, Scott, 32, continued partying with 18-year-old model **Lindsay Vreckovnik** in early October... until his recent revelation that "he has three kids who look up to him and needs to get back together with Kourtney."

Kourtney's been cautiously hopeful as she cares for their kids — **Mason,**

**5, Penelope, 3, and 10-month-old Reign** — during Scott's stay. On the Oct. 11 season finale of *Keeping Up With the Kardashians*, she lamented, "I've worked so hard to keep this family together. He's not being a good partner to me. I could never rely on him, depend on him for one single thing, and I don't want to show my kids that that's okay." But the source says despite her initial reservations, she does want their family reunited. "He's making a sincere effort, and so is she," the insider says. "Next season, they'll be a couple again."

# FLIRTING WITH LILY

**J**amie Foxx may want to tone it down. A source says the A-list star has set his sights on his *Baby Driver* costar **Lily James**, but his attention is having an unintended effect — making her very uncomfortable. “Jamie’s really into Lily,” a source says. “It’s clear she doesn’t enjoy his flirting, but he’s oblivious.” The movie hasn’t started filming yet, but apparently Jamie, 47, has been interrupting preproduction meetings to insist that everyone — including the other women present — “tell Lily how gorgeous she is.” The insider says that while Lily, 26, thinks Jamie is wildly talented and is excited to be working with him, she’s been happily dating former *Doctor Who* star **Matt Smith** since June 2014. “Lily’s a huge fan of Jamie, but his come-ons are becoming too much to handle,” the source says. “She’s hoping when they start shooting he’ll be more professional.” Paging Human Resources!

“They were super handsy,” the source says.

Anna’s

## CRAZY PENNY-PINCHING!

**Chris Pratt** may be bringing home the bacon these days, but his wife, **Anna Faris**, is the one who controls the couple’s money. A witness who spotted Anna, 38, and Chris, 36, at Smith’s Olde Bar in Atlanta on Oct. 11 says, “Chris kept asking for money to pay for their drinks and wings, but she kept saying, ‘I’ll take care of it.’” A source explains that Anna is very thrifty and despite Chris’ megapaychecks for *Guardians of the Galaxy* and *Jurassic World*, “he doesn’t get a say in how they spend it, which causes a lot of tension between them.”

“She doesn’t trust him with their money for some reason, which isn’t fair because he’s pulling the weight now,” a source says.

Adrienne’s

## NEW GUY

Seems like **Adrienne Maloof**’s finally found someone her own age: *The Real Housewives of Beverly Hills* alum was spotted dining with a mystery man at the Sunset Tower hotel in Beverly Hills on Sept. 30 (above), and a witness says they looked like more than friends. It’s been nine months since Adrienne, 54, split from **Jacob Busch**, 26, and the onlooker says it was clear she’s found a new love. “She was rubbing his neck and they were very affectionate,” the source dishes. The couple had to wait at the bar for 40 minutes before being seated, but the witness says Adrienne brushed off the idea that she should get any preferential treatment: “She was in no hurry for that date to end.”

ROYAL SHOCKER

TWINS

FOR

KATE

## JUST A FEW MONTHS AFTER WELCOMING LITTLE **CHARLOTTE**, **KATE MIDDLETON** AND **PRINCE WILLIAM** ARE EXPECTING AGAIN

In the evening of Oct. 20, the **Duchess of Cambridge** attended

her first-ever state dinner at Buckingham Palace. Technically, she wasn't the guest of honor — the banquet was being thrown to welcome Chinese president **Xi Jinping** to the United Kingdom — but that didn't stop the press from going absolutely gaga over her diamond-and-pearl-studded tiara (borrowed from her husband's grandmother, **Queen Elizabeth II**) and her custom-made Jenny Packham gown.

But a royal insider says that it wasn't just the dress' gorgeous red hue that made the former Kate Middleton look so very radiant: Yes, less than six months after welcoming baby **Charlotte**, the 33-year-old future queen is pregnant again. "To say she was shocked would be an understatement," the source says.

Wills and Kate already have their hands full: As he recently said, "It's more responsibility looking after two little ones, especially when George is around. He's a little monkey." Nevertheless, he says family life is "fantastic," and he'll surely come to feel that more is merrier!

Adding to the feeling of surprise? The fact that she's carrying twins!

Rumors of a third pregnancy have been swirling for weeks, kicked off when Kate was forced to skip the

August wedding of one of **Prince William**'s oldest friends. Her decision was clearly made last minute — Wills, 33, had to take her sister, **Pippa**, in order to avoid leaving an empty seat at the head table. Given the severe morning sickness she suffered during her pregnancies with **Charlotte** and little **George**, 2, the source says that royal doctors are taking every precaution this time around and ordered her to bed rest early on. Now, however, her nausea has subsided, and she's cleared to attend to royal duties. "She's suffering more from exhaustion than anything else," the source explains.

The source says she's nearly three months along — not that you'd know it by looking at her. "She hasn't had much of an appetite, so she's hardly gained any weight," the insider says. "Kate is very good at putting on a brave face, but everyone just wants to make sure that she's taking care of herself." William, the source adds, is especially concerned. "He's been encouraging her to stay home as much

### ROOM TO SPARE

Luckily, Wills and Kate aren't as pressed for space as other young parents with growing families; their country estate, Anmer Hall, has enough room to accommodate a set of surprise twins as well as any extra nannies or nurses they might need to help care for the new arrivals!

**SHE'S GLOWING!**  
Kate may be tired, but she looked gorgeous at a recent state dinner.

as she likes. He knows people might wonder why she's not by his side, but he says they'll understand soon enough."

## A DOUBLE SURPRISE

Wills and Kate were both startled when a routine scan showed that they'd be having two more at once, the source says: "Kate was overwhelmed... and a little discouraged. She wasn't sure if she could cope. She's still in the fog of having a newborn, and the thought of months and months of more sleepless nights with two babies caused her" — understandably — "to panic." After all, having four children under the age of 3 is nobody's idea of a picnic, no matter how much help you have or how big your house is.

But when the couple took their concerns to a trusted advisor, the **Archbishop of Canterbury** (who baptized both George and Charlotte), he eased their fears. "He helped them see what a blessing it is and said that even though it will be hard, he has absolute faith in their abilities," the source says. "His words really helped them."

Now, the source says, Kate believes the babies were meant to be. Both she and Wills have twins in their families — Kate's grandmother was a twin, and

Wills has two sets on his mother's side, including a set of identical twin cousins — so they always knew it was a (slight) possibility. And now that they're feeling better about the challenges, they're allowing themselves to revel in the fun that two babies at once can bring. Wills only wishes **Princess Diana** were here to share in the joy with them — he says she'd be "thrilled."

"They'd love a boy and a girl, but since they already have one of each, they really don't care too much either way," the source says. And they don't plan to find out what they're having in advance; instead, they want to be surprised at the birth.

Needless to say, their families are overjoyed, particularly Kate's mother, **Carole Middleton**. "They're all so excited at the prospect of twins," the source says. "They understand why Kate and Wills are nervous, but they've all said that as long as Kate is healthy, there's nothing that they can't handle." As for Wills and Kate, they're beginning to feel the same way. "It wasn't their exact plan, but they're falling in love with the babies already; and once they're born next year, they know they'll wonder how they ever lived without them."

# PASS THE CROWN

When a royal has twins, the rules are very clear: whichever baby is born first is first in line for the crown. (This goes for C-sections, too, though Kate will likely do her best to avoid one.) And a 2011 change to the rules of succession means that Princess Charlotte will hold on to her place in line, even if the twins are boys; prior to that, male heirs were prioritized.

# KHLOÉ & LAMAR A DANGEROUS REUNION?

Khloé (in 2009 with Lamar) has said she's "obsessed" with him.

**A**fter his drug-fueled near-death experience in a Nevada brothel, **Lamar Odom**, 35, has nowhere to go but up — and **Khloé Kardashian** is determined to fight that uphill battle with him. Despite the heartbreak and humiliation that drove her to file for divorce from the former NBA player in 2013, Khloé, 31, has been by his side since he was found unconscious on Oct. 13. She's sidelined her relationship with Houston Rockets star **James Harden**, and she and Lamar — who's made "incredible strides" in his recovery, Khloé has said, though he still faces months of physical rehab and a possible kidney transplant — have jointly called off their not-yet-finalized divorce.

"Lamar's life hanging in the balance drove home to Khloé just how much she loves him," says a source. "She wants to wipe the slate clean and give their marriage another go."

## JUST LIKE STARTING OVER

There's a lot about Lamar that needs to be forgiven. Prior to the couple's split, he was reportedly spending between \$800 and \$1,000 a day on drugs, and two women had come forward detailing affairs with him. Yet as recently as April, Khloé was still proclaiming, "I will never, ever not love Lamar... He was my

husband, and I still wish he was.”

Now Khloé, who dragged out divorce proceedings by neglecting to sign the papers for 19 months, has the reason she needs to reconcile with her estranged husband. “Khloé’s vowed not only to nurse Lamar but to be his wife again,” says the insider. “The relationships she’s had since the split have meant nothing. He is the love of her life — and she’s obviously thinking with her heart, not her head.”

A near-tragedy “can be life-changing,” explains Beverly Hills psychotherapist Dr. Fran Walfish, Psy.D., who has not worked with Khloé or Lamar. “Khloé may be banking on Lamar’s being scared straight by coming so close to dying. Certain personality types attract each other; an addictive personality is drawn to a caregiver, and it sounds like Khloé is used to filling that role. But she’s going to have to learn to trust Lamar again.”

## PROS AND CONS

Is Khloé making a huge mistake? Many of her friends think so, says the insider: “They worry she’ll be hurt again. The fact that Lamar was found at a brothel should be enough to show her he hasn’t changed.”

On the other hand, sources say the Kardashians, including sisters **Kourtney**, 36, and **Kim**, 35, are standing behind Khloé and rooting

## HIS DAUNTING DEMONS

Lamar has long flirted with disaster, but 2013 was a particularly bad year. Arrested for DUI, he checked into rehab, reportedly bailing after one day. He went missing for stretches on rumored crack binges. After a video surfaced of him rapping incoherently about drug use and cheating, Khloé filed for divorce — only to rush to his aid when he hit rock bottom in Nevada.

The 35-year-old rapper and his old friend Khloé hit the clubs together after her split (see: video of her twerking on him) but he claimed they never hooked up.

### FRENCH MONTANA

Khloé has said of dating rapper French, 30, off and on from 2014 to 2015, “I jumped into something ‘cause I was just, like, lonely and destructive.”

for the couple to make it work. And mom **Kris Jenner**, 59, is leading the charge — though her motives may not be the noblest. “Kris knows that this could be one of the biggest story lines on *Keeping Up With the Kardashians*,” says the insider. “It would be ratings gold. But that’s a pretty sick reason to encourage them to kiss and make up.”

As for Lamar’s children, **Destiny**, 17, and **Lamar Jr.**, 13 — who visited him in the hospital along with their mother, Lamar’s ex-girlfriend **Liza Morales**, 36 — “they think getting back together with Khloé is a bad idea, and when he’s well enough to really talk, they’re going to tell him as much,” says the source. “They feel he went off the rails only after he met Khloé, and they hate all the drama that she brought to his life. Like a lot of people, there’s only one way they can see this ending — and that’s very badly.”

### ROASTMASTER

On Comedy Central's 2011 *Roast of Charlie Sheen*, Amy lets the barbs fly — and kills.

### TRAIN TO SUCCESS

Amy's summer rom-com, *Trainwreck*, based on her love life, is a huge hit.

**O**n Oct. 10, when **Amy Schumer** wrapped up her all-out hilarious debut as host of *Saturday Night Live*, she rattled off her thank-yous before exuberantly declaring, “This was the best!” But then, the well-received hosting gig was just one in a seemingly endless string of bests for 34-year-old Amy — from her hit star vehicle, *Trainwreck* (which she also wrote), to an Emmy win for her beloved sketch show, *Inside Amy Schumer*, and a recent \$8 million book deal.

“Amy can’t believe what’s happened to her over the past year or so,” says a friend. “She couldn’t have imagined this kind of success in her wildest dreams.”

## COMIC GOLD

No one can appreciate Amy’s meteoric rise more than the star herself. When she was 12 years old, her father was diagnosed with multiple sclerosis before losing his successful furniture business and having to move the family, including Amy’s brother and sister, from Manhattan to Long Island. Amy’s parents then divorced, leaving middle child Amy to provide the comic relief for her distraught siblings. “It was *Hunger Games*,” she’s said. “I was like, ‘I’ll take it from here.’ I tried to make everything okay by making everyone laugh about how horrible things were. It kept us alive.”

Extracting the humor from family drama came naturally at a young age, like when Amy’s dad lost control of his bowels while dropping her off at

the airport. “I was flying out to see my brother in Montana, and I think I spent the flight looking out the window, blinking,” Amy recalled. “By the time I got there and told him what happened, it had become a bit.” And though comedy audiences found the material a tad dark, among her family members, “No one has ever laughed that hard at anything,” she’s said.

She’s unabashedly proud of her family, especially her sister, **Kim Caramelle**, who serves as a writer and producer on her show, and whom she called out during her Emmys speech as “the only reason that I’m alive and breathing.”

The comedian has described an early screening of the film (which would go on to gross nearly \$140 million) as “the best night of my life. I’ve never taken Ecstasy, but I imagine it would feel like that.”

Amy should get used to that feeling. 20s

## JULIANNE HOUGH, 27

### DISRUPT YOUR ROUTINE:

Even when her work schedule calls for hours of daily dancing, Julianne says, "I like to shock my body by doing different things." An example? Wearing ankle and wrist weights to dial up the intensity of her moves.

### FIND A FITNESS BUDDY:

Don't let an active social life derail your health. Julianne makes the most of her time by mixing workouts with meet-ups. "I love hiking or doing yoga with my friends," she says.

30s

## KATE HUDSON, 36

### TAKE A CLASS:

If you plan to work out at home, remember that it's easy to get distracted by the TV and the fridge. Kate loves intense group classes at studios like SoulCycle, Heartcore (in London) and L.A.'s Circuit Works.

### GET CAUGHT IN THE MIDDLE:

"My main workout is always focused on the core," Kate explains, when asked how she gets her amazing abs. "That's where the strength comes from — it's the center of everything."

40s

## GABRIELLE UNION, 43

### PLAY BALL:

Gabrielle isn't just married to an NBA star (**Dwyane Wade**); she's a former baller herself! The 5'7" star still does "basketball-related workouts" that leave her arms "dead" for days. Dead sexy, that is!

### THROW A FEW PUNCHES:

While Gabrielle has said that she considers all workouts to be "varying degrees of torture," she enjoys kickboxing, which lets her "work out some aggression without judgment."

## ELLE MACPHERSON, 51

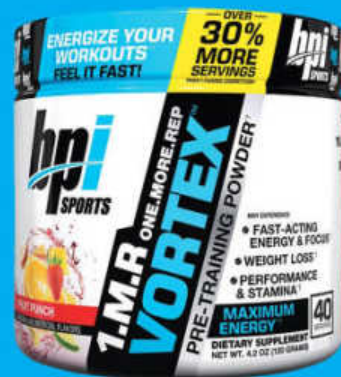

**STICK TO A SCHEDULE:** The stunning Elle stays in supermodel shape by working out every day at 9 AM, "after the school run" with her 17- and 12-year-old sons. Having exercise on the calendar is a sure way to get it done.

### ... BUT MIX THINGS

**UP:** If the timing is routine, Elle's workouts are anything but. "I'll do a different sport every day if I can," she explains. "I love to paddleboard, surf, swim, waterski, hike or run."

## SUPERCHARGE YOUR WORKOUT

You've probably tried coffee, a granola bar or even a protein shake to fuel up before an exercise session. But sometimes you need an extra boost to power through those last few reps or sprints. Enter 1.M.R. Vortex pretraining powder. Mix one scoop of this specially formulated dietary supplement into an eight-ounce drink of your choice 15 to 30 minutes before a workout, and you'll feel stronger, more energized and more focused while you sweat. It can even help you tone up and lose weight faster than you would with regular diet and exercise. The best part? Unlike so many supplements, 1.M.R. Vortex actually tastes good (we swear). Try it before your next workout! Available at Walmart, GNC and [bodybuilding.com](http://bodybuilding.com).

Buyers, beware! Jean skirts may be coming back into fashion, but as these stars found out, wearing one can be a dangerous proposition

# THE CURSE OF THE DENIM SKIRT

CONSCIOUS JEAN COUPLING!

## GWYNETH PALTROW

When Gwyn, 43, wore this outfit, in 2002, she had a career downturn that started with *Possession* (we never heard of it either) and has continued, save for her role in the *Iron Man* franchise. And the Oscar winner's Birkenstocks aren't doing her karma any favors.

## NAOMI WATTS

The laid-back Aussie got some of the worst reviews of her career playing **Princess Diana** in the 2013 biopic *Diana*. "If you have to go down with that sinking ship," she said, "so be it." Naomi, 47, should have taken a cue from the stylish royal and steered clear of jean therapy.

## JULIANNE HOUGH

This skirt was one of the *Dancing with the Stars* judge's bad calls. Another one? Donning blackface to go as *Orange Is the New Black*'s "Crazy Eyes" on Halloween. "I realize my costume hurt and offended people," said Julianne, 27, "and I truly apologize." Give her a 5!

## KYLIE JENNER

Since stepping out in this hip-hugging look, Kylie, 18, has had to cope with sex tape rumors and whispers that her boyfriend, **Tyga**, had an affair with a transgender mistress. Coincidence? Better to play it safe and retire the whole look.

## CAM'S BLUES CLUES!

## JENNIFER GARNER

Let us count the ways her life has changed in the year since Jen, 43, sported this outfit: a split from husband **Ben Affleck**, a very public did-they-or-didn't-they drama involving a nanny and tireless efforts to keep her kids' lives stable. Reasons enough to ditch the denim!

## REESE WITHERSPOON

No matter how cute the *Legally Blonde* star may look in denim, she couldn't skirt the law when she was arrested for disorderly conduct after she and her hubby, **Jim Toth**, were stopped on suspicion of DUI (he was driving). "I clearly had one drink too many," Reese, 39, said later.

## CAMERON DIAZ

Cameron's skirt seems designed to hide the puffiness that comes from the IVF treatments sources tell OK! she is undergoing. Not long after wearing it, though, the actress, 43, almost face-planted on the sidewalk outside a restaurant. Just call it a bad-luck charm.

## PHONING IN HER STYLE

## KIRSTEN DUNST

Once this former child actress was sharing the big screen with **Brad Pitt** and **Tom Cruise**, costarring in the *Spider-Man* franchise and playing **Marie Antoinette**. Then Kirsten, 33, donned this mini, and now she's on TV in *Fargo*. Oh, yah, that's life fer ya!

Her Netflix binge of choice while filming her role as Lady Lucille Sharpe, "the darkest character" she's ever played? *Dexter*, of course.

Jessica next stars in *The Zookeeper's Wife*, based on the true story of a Polish couple who saved Jews from the Nazis by hiding them in their zoo.

Take a cue from **Heidi Klum** and serve HobNob wines at your Halloween party, like she did at her annual bash! We especially love the brand's limited-

# Justice FOR ALL

**HAUNTED** "Some cases never leave you," says Jeanine, who hosts Fox News Channel's *Justice with Judge Jeanine*. "I have 30 years in law enforcement. This one got me from the get-go."

**W**hen **Robert Durst** confessed to murdering three people in the explosive

conclusion of HBO's recent docuseries *The Jinx*, one person wasn't surprised at all: **Jeanine Pirro**. A former district attorney who in 2000 reopened the case of Durst's wife **Kathleen's** disappearance 18 years prior, Jeanine had the Manhattan real estate heir pegged from the beginning; she just didn't have the evidence to prove it. Her new book, *He Killed Them All* (out Nov. 3), traces her tireless pursuit of the alleged killer and sheds new light on the bungled investigations that allowed him to roam free.

**What made you reopen Kathie Durst's case?**

She was someone I related to. Kathie was in medical school, fighting to become a doctor at a time when women were not doctors. This was not a

woman who was going to fall off the face of the earth. I was very determined to find out what happened to her.

**Durst waited five days to report his wife missing.**

**Why weren't all eyes on him?**

The case was badly investigated. It happened in Westchester [N.Y.], but he was able to make people believe it was a New York City case. The NYPD said she ran off with another man. There was no evidence of that.

**How satisfying was Durst's confession in *The Jinx* for you?**

I didn't need *The Jinx* to vindicate me, but let me tell you something: My life has been about the underdog. My chosen field is settling scores. And Kathie Durst's score was not settled. I always knew in my gut what happened. For some reason — money, power, corruption — he was able to mislead everyone. He was not able to mislead me. **OK!**

**FEAR FACTOR** In her book, Jeanine says, a psychologist states that Durst was on the run from her because "for the first time, he was confronted with a woman who had power."

CEDRIC VONGERICHTEN'S

# FRESH MOZZARELLA, POMEGRANATE & BASIL BRUSCHETTA

## POM GIMLET

(MAKES 1 DRINK)

- 2½ oz. POM Wonderful 100% Pomegranate Juice
- 1½ oz. gin
- ¼ cup sweetened lime juice
- ¼ oz. agave syrup
- Lime wedge, for garnish

Pour all ingredients into cocktail shaker with ice and shake well. Strain into ice-filled rocks glass. Garnish with lime wedge, if desired.

As the holidays approach, **Cedric Vongerichten** – son of celebrated chef **Jean-Georges Vongerichten** and chef de cuisine of NYC's elegant **Perry St Restaurant** (which counts **Martha Stewart** as a frequent diner) – loves to liven up party hors d'oeuvres with pomegranate, which is in season from October through January. He

gave this inventive bruschetta a burst of color and fruity flavor with POM's Wonderful variety pomegranates, beloved for their heft, ruby-red arils and sweetness (you can use POM POMS fresh arils as a quicker option). And not only is this dish-drink duo (with the POM Gimlet, above) delicious, but the POM POMS are also a good source of fiber.

SERVES: 8  
TOTAL TIME:  
25 MINS.  
SKILL LEVEL

### Ingredients

- 2 cups juice from POM Wonderful Pomegranate (or 2 cups POM Wonderful 100% Pomegranate Juice)
- 3½ tbsp. sugar
- 1 Thai chili, split
- ½ cup arils from POM Wonderful Pomegranates (or ½ cup POM POMS Fresh Arils)
- Extra virgin olive oil
- 8 pieces sourdough bread, sliced ½ inch thick
- 2 lbs. fresh mozzarella or bocconcini (fresh mozzarella balls)
- Sea salt
- Fresh cracked black pepper
- Fresh basil leaves

### Directions

1. To make the syrup for this dish: Combine juice, sugar and Thai chili in pot over medium heat; reduce until sauce is thick in consistency and sweet and sour flavors are balanced. Remove from heat and strain through fine strainer. Set aside.
2. If preparing arils (seed sacs) from pomegranate: Score fruit and place it in bowl of water. Break it open underwater to free arils. They will sink to bottom of the bowl, while membrane floats to the top. Sieve and transfer arils

- to separate bowl. Reserve ½ cup of arils from fruit and set aside. (Freeze or refrigerate remaining arils for another use.)
3. Drizzle olive oil on both sides of each piece of bread. Grill until toasted on both sides.
  4. Season cheese with salt and pepper, then drizzle with olive oil and the pomegranate syrup previously set aside. Sprinkle with basil leaves and ½ cup arils that were set aside. Divide mixture over bread. Plate and serve.

# OK! Style Week

The “Boom Clap” singer models the Charli Gold Foil Bomber Jacket and the Charli Embossed Velvet Jumpsuit, both available at [boohoo.com](http://boohoo.com).

## CHARLI'S COOL COLLAB

**W**e can't all have Charli XCX's killer pipes, but thanks to the singer's new collaboration with Boohoo, we can steal her rock-star style. She shared her design inspiration and more with OK!.

**What made you want to work with the folks at Boohoo?**

It's a very young, cool brand. I felt like they were going to let me do what I want — which is great, because I'm stubborn.

**How involved were you in the design process?**

I worked really closely with the Boohoo team, mainly over Skype. I would send through my ideas and sketches, then models would

showcase the looks. It felt like a very futuristic way to design a collection.

**Who's your style icon?**

I like **Rose McGowan**'s style and the wardrobes of characters she's played, like Courtney Shayne in *Jawbreaker* and Cherry Darling in *Planet Terror* — she made a machine-gun leg look really cool.

**T**he International Style Institute by celeb stylist Anita Patrickson and Simply Inc. have teamed up to offer a three-day styling course for anyone dreaming of dressing people for a living. Here, Anita shares her top five tips for styling yourself.

- 1** Put together a look around one piece you are dying to wear.
- 2** No matter what kind of day you are having, a sexy pair of shoes will make you look and feel fabulous.
- 3** Take a picture of yourself in your outfit. Don't rely on the naked eye.
- 4** Create a story for your look. A general vibe or inspiration keeps everything on the same page.
- 5** Have an inventory of what's in your closet. Shop with a list; splurge on staples and go cheap on trends.

# Face the **COLD**

EVERYTHING YOU NEED TO KNOW (AND TRY!) FOR A FLAWLESS COMPLEXION OVER THE HARSH MONTHS AHEAD

## AN EXPERT WEIGHS IN

**C**eleb dermatologist **Dr. Doris Day** solves winter's trickiest problems — and reveals what you need to change about your showertime routine ASAP.

### Is it true that humidifiers are good for your skin?

If your skin is very dry then they can help. Humidifiers add moisture to the air so it doesn't get sapped from the skin. [No wonder **Rihanna** swears by 'em!]

### Why is it important to wear SPF if it's cloudy and cold?

It might not feel hot in winter but there are still UV rays. Incidental exposure accumulates, so you still need sunscreen when you're outdoors, no matter how brief.

### What's the best way to keep from getting dry and itchy this winter?

Resist the urge to take long, hot showers! Always pat yourself dry afterward — don't rub — and use a thick, creamy moisturizer instead of oils. Lastly, don't forget about the feet — slather them up before putting on socks.

3

For more antiaging tips and tricks, visit [okmagazine.com!](http://okmagazine.com!)

## 1 TRICEPS EXTENSION

**STEP 1** Stand with feet together and core engaged. Hold one weight directly overhead with both hands. Bend at the elbows to lower weight toward the back of your neck. Keep elbows pointed straight up throughout the exercise.

**STEP 2** Extend arms back to straight, engaging the triceps as you lift.

## 2 SHOULDER PRESS

**STEP 1** Stand with feet together and torso straight. Hold weights at shoulder height, so your arms form a W.

**STEP 1** Press the weights directly overhead, bringing them together at the top. Keep wrists facing forward and chin parallel with the ground to avoid straining the neck. Lower the weights back down and repeat. Continue to lift and lower the weight, keeping torso still.

## 3 EXTERNAL ROTATIONS

**STEP 1** Stand with feet together, elbows close to your sides and arms bent at 90 degrees. Rotate forearms out to the side.

**STEP 1** Pull the weights back together, keeping forearms parallel with the floor. Draw the weights in and out at a steady pace.

# America's Top 5 Fat Burners

## Which one is right for you?

There are thousands of diet products out there, but which one is right for you? We've looked at them all. Here are our 5 favorites. Remember to visit the individual websites for the full skinny on each product.

### 1 *Probiotic • Weight Loss* **TruBioTrim** *Energy Enhanced* Probiotic Fat Burning Formula

Ready for the most amazing diet pill to come along in more than a decade? It's called TruBioTrim... the all new energy enhanced, probiotic fat burning formula everyone is talking about.

The good news... TruBioTrim will help you lose weight, reduce belly bloat, increase metabolic rate,

burn fat, provide digestive support... and give you all the energy you need to get through the day.

The bad news... TruBioTrim will not be available in stores until January 15, 2016 (when it gets there, reach for the bright green box, and do not accept substitutes or look alikes). Till then, you can order online at [TruBioTrim.com](http://TruBioTrim.com) or by calling 1-800-429-3717. A full 30-day supply is only \$59 (use promo code TRU15 and shipping is free!).

## 2

*You'll be hearing a lot about this product very soon!!*

### Reshape your entire body in 30 days?

If you haven't heard about Vysera®-CLS yet... you definitely will... and very, very soon. Why? Because as incredible as it sounds, groundbreaking research has just identified a compound that can not only help you lose weight, but can actually reshape your entire body, reducing waist size, hip size, thigh and buttock circumference, belly bulge, and... last but not least... cause a significant loss of actual fat mass from all over your body. Has the "miracle pill" finally arrived? As one article said, taking Vysera is sort of like "eating a whole donut and only absorbing a fraction of the calories."

How's that for amazing? (Of course, we don't advocate eating a donut as a meal, and this example is used for illustrative purposes only.) Vysera-CLS is available at all Ulta stores, Kohl's, GNC and at [VyseraCLS.com](http://VyseraCLS.com) or call 1-800-804-4539. Use promo code VYSERA193 and shipping is free!

# 3 "Combo-Pilling" America's Hottest Weight-Loss Craze

Ever wonder how some people manage to get so thin... so fast? It could be "Combo Pilling"... the über-trendy, "underground" practice of combining two or more diet pills to create "supercharged" weight loss. Our favorite diet pill combination is Zantrex®-3 (the high energy fat burner) and Relacore® Extra (the calming, feel good, "belly fat" pill).

One pill picks you up, the other pill calms you down... both of them are incredible... but together, oh my goodness! Available at Walmart, Walgreens, CVS, RiteAid, and smarter retailers nationwide, you can order both at [TryComboPilling.com](http://TryComboPilling.com) or call 1-800-511-6152 (use promo code COMBOPILL81 and get free shipping!†).

## Q: What Is Combo-Pilling?

A: The highly controversial practice of Combo-Pilling is truly an underground phenomenon. Odds are, if you know someone who's losing lots of weight, and losing it fast, you probably know someone who's Combo-Pilling... Why? Because it allows people to attack multiple facets of weight loss — like dropping fat, overcoming stress eating, and having enough energy to work out — at the same time.

## SKINNYSTIX®

They say it's the best-tasting, easiest and most delicious way to lose weight, burn fat, increase energy, heighten focus, boost mood and much, much more. No wonder you see so many celebs using it! Zantrex SkinnyStix are available in three super-refreshing flavors: Berry Fusion,

Tangy Tangerine and Electric Lime...

Available at Walmart, Walgreens, CVS, Rite Aid and GNC. (Call if you can't find your favorite flavor:

## The Super-Powerful "diet pill"!

They're flying off the shelf... but it's not for everyone.

**Finally! Back in Stock**

BiphedAdrene® is quickly making a name for itself in the "Super Pill" category because of its supercharged dual approach to weight loss: it's comprised of a unique Complex Phenylethylamine Provisional (for powerful appetite control, mood-elevation, and sustained energy) combined with an Aggressive Thermogenic Compound (for fat burning and stamina). This two-pronged attack on fat is apparently what makes the compound so effective... and so popular. And it doesn't just help provide very substantial weight loss... it also adds a mood and energy boost. BiphedAdrene is available at smarter retailers nationwide, direct from the manufacturer at [Biphed.com](http://Biphed.com) or call 1-800-688-4504. Use promo code BIPHED126 and get free shipping.†

However, we emphasize that this high-energy product is not for everyone because it is extremely potent and contains powerful xanthine (stimulant) compounds. Nevertheless, if "ordinary" diet pills aren't doing the job, BiphedAdrene could most certainly be your best bet!
